Monkey 47 Gin's name is as *wunderbar* as its tale! It's inspired by the 47 botanicals that create its flavour, a number said to have appeared to British Air Force Commander Montgomery Collins in a dream. The "Monkey" part pays homage to the commander's love for an egret monkey he once sponsored and the enchanting guesthouse he opened in Black Forest, Germany, named "The Wild Monkey."

Before you order your drinks, please speak to our staff if you have an allergy or intolerance. Despite efforts to prevent cross-contamination, we do use allergens in our kitchen and any of our dishes may contain traces of allergens. All items are subject to availability. VAT is included in all prices. A discretionary service charge of 12.5% will be added to all bills.
